protecting your digital cargo

KEY FEATURES & BENEFITS ■ REMEDY 15" & 17" ■

favour style over space

If you are partial to a shoulder bag for your laptop and you only carry the necessities, **remedy** is for you. The slim, light profile provides heavy duty laptop protection without the weight of a bulky bag.

Remedy has a protective laptop section, space for cables and accessories, and a slim pocket for a few documents.

The shoulder strap is adjustable and removable, and it has a phone/iPod pocket attached.

Remedy allows you to go basic without going boring.

Available in 2 sizes to fit most laptops with screens up to 15" and 17".

tuck away handle
phone/iPod pocket
removable shoulder strap- carry as a briefcase or shoulder bag
clean look hides functional pockets
removable key clip
high density padding in laptop section
slim back pocket for documents
internal zipper protector, keeps laptop safe from zipper abrasion
